

Dear Building Use Member:

We are doing everything we can to be compliant with all regulations and ensure your safety. We at the First Presbyterian Church of Delhi (FPC) have put in place preventative measures to reduce the spread of COVID-19, but we cannot guarantee that you or your group members will not become infected with COVID-19.

This “Preventative Measure” is to be added to and complied with any existing and/or proposed building use applications effective immediately:

If, to the best of your knowledge, there has been a positive COVID-19 test on yourselves or anyone who is a part of your group, class or any affiliation therewith and who enters into, around or near the First Presbyterian Church of Delhi facility, you MUST immediately notify the office of the First Presbyterian Church of Delhi upon becoming aware of such. Failure to notify the FPC could void any agreement of building use at the First Presbyterian Church of Delhi facility.

I have read and will comply with the “Preventative Measure” noted above:
